**STIPULATION TO CONTINUE
OCTOBER 27, 2006 STATUS
CONFERENCE AND ~~[PROPOSED]~~
ORDER THEREON**

Date: October 27, 2006
Time: 10:30 a.m.
Crtrm.: 7

1 In July, 2006, the parties reached a tentative settlement of this case. Since the tentative
 2 settlement was reached, counsel for the parties have worked on the negotiation and finalization of
 3 settlement agreements memorializing the settlement. The process of finalizing and
 4 memorializing the settlement has been delayed because of the complexity of the settlement, which
 5 involves multiple settlement agreements and multiple insurers.

6 Counsel believe that (i) the current versions of the written settlement agreements are in a
 7 near-final form; (ii) the settlement agreements provide for the dismissal of all claims and
 8 counterclaims in this case with prejudice; (iii) once the dismissals provided for in the written
 9 settlement agreements have been entered by the Court, then there will be no remaining claims in
 10 this case; and (iv) the settlement should be finalized and executed within the next 20 days.

11 In light of the foregoing, the parties stipulate to a continuance of the October 27, 2006
 12 status conference for 30 days.
